GRAND PARADE POLICIES AND RULES

FREEDOM FESTIVAL'S VISION

The America's Freedom Festival at Provo (Freedom Festival) is a nonprofit foundation dedicated to honoring the founding principles of the United States of America through events that celebrate our country's freedoms, teach the rising generations to appreciate our heritage and preserve these freedoms, honor those who have distinguished themselves in the cause of liberty nationally and internationally, and strengthen individuals in remembering our civic duties and responsibilities. Central to the Freedom Festival's vision is GOD, FAMILY, FREEDOM and COUNTRY, and it strives to promote love, unity, and patriotism in Utah and across the United States of America.

NON DISCRIMINATION

Festival agrees not to and shall not discriminate on the basis of race, color, religion, gender, age, national origin (ancestry), disability, marital status, sexual orientation, or military status, in any of its applicable activities in violation of federal, state or local laws.

PARADE PURPOSE AND APPLICATION REQUIREMENTS AND PROCESS

The purpose of the Grand Parade is to fulfill the Freedom Festival's vision through an event that brings our community together as participants in and spectators of the Grand Parade on or around the 4th of July since 1875. The parade is a free community event for all – made possible through the generous contributions of our valued sponsors and the efforts of hundreds of volunteers.

The Freedom Festival organizes and manages the Grand Parade in its entirety. It owns and operates a web-based portal through which all parade applications must be submitted for consideration to participate as an entry in the Grand Parade. Incomplete applications or those submitted after the stated deadlines may not be considered. Each application must:

1. describe how it will celebrate the founding of the United States of America, the vision of the Freedom Festival (described above), and each year's parade theme;
2. include a clear and detailed description of the entry, and the acts, feats, performances or actions of all accompanying participants, and how spectators will be entertained and/or educated;
3. include a list of any music to be performed or which will accompany the entry, which must be approved by the Parade Committee, and how it will be broadcast to the crowds;
4. describe the quality of the float or vehicle used in the entry, which should be of the highest quality possible;
5. include a picture or conceptual drawing of the entry; and
6. provide the primary contact person, with his or her email and cell phone number, who will be the person the Freedom Festival will coordinate with for all aspects of the entry. This contact person

must be present the day of the parade and be responsible to ensure all entry participants will abide by the parade rules and procedures. If the primary contact person must be replaced for any reason, the initial contact person is responsible to notify the Freedom Festival of the change and provide the new contact person's email and cell phone number.

Applications that are incomplete, unlawful, dangerous, defamatory, obscene or vulgar, or which promote a political party platform or any other political issue, or could be disruptive to parade participants or spectators, or otherwise detracts or draws attention away from the Freedom Festival's vision or annual parade theme, as determined in the Freedom Festival's sole discretion, will not be accepted.

The Freedom Festival's Parade Committee reviews and evaluates each submitted application for harmony with the Grand Parade's purposes and parade requirements. With Board approval, the Parade Committee informs accepted applicants of their approval and sends them a link to submit their parade entry fee. Once payment of the parade entry fee is received, a spot in the parade will be reserved for the entry. No entry can participate in the parade without first paying the entry fee in full. Entries from previous parades who have an outstanding incumbrance owed to the Freedom Festival or to any of its vendors or partners, will not be accepted unless and until all debts are paid in full for past and current obligations to the Freedom Festival and its vendors and partners.

The Freedom Festival Board reserves the right to limit the number of like-kind or similar entries in order to maintain the focus on the parade's purpose and to achieve an aesthetic balance for entertainment and education purposes.

All accepted entries are required to supply two at-large volunteers that the Parade Committee can assign to help manage the actual parade.

If the Parade Committee deems an application inadequate or not in harmony with the parade's purpose, or concludes that it does not meet the parade requirements in any way, the Parade Committee will send an email to the applicant noting the specific elements of the application that are inharmonious with the Freedom Festival's vision or that do not meet the parade requirements. The applicant will have one week (7 days) from the date the email is sent to resubmit an upgraded application for reconsideration.

PARADE RULES AND PROCEDURES

1. **Number of Entries.** The Freedom Festival Parade will consist of no more than 125 entries to ensure a timely end of the parade.
2. **Setup, Inspection, and Final Approval of Entries.** All entries are to be set in their designated spot and ready for inspection and final approval for participation by the Parade Committee no less than one hour (60 minutes) prior to the parade start time. If the Parade Committee deems an entry unsafe in its condition, poor in quality, or as different than what was approved through the application process, the entry will be disqualified and not allowed to participate in the parade. The decision of the Parade Committee to allow or not allow an entry is final and cannot be appealed.
3. **Behavior and Activities During the Parade.** Any behavior or activity during the parade by an entry (including any person participating as part of the entry) that is not in harmony with the Freedom Festival's vision or the parade's purposes, or which violates any stated parade requirement, rule or procedure, will be disqualified from participating in future Freedom Festival events (including the Grand Parade) for a minimum of five years. Should such behavior or activity be deemed egregious by the Parade Committee, the entry will be escorted off the parade route by parade security. The Freedom Festival also reserves the right to have parade security escort any individuals participating with such an entry off the parade route.

Definition of Egregious Behavior or Activity: Any behavior or activity that is unlawful, dangerous, defamatory, obscene or vulgar, or which promotes a political party platform or any other political issue, or which is disruptive to parade participants or spectators.

4. **Vehicles.** Miscellaneous vehicle entries, such as trucks, convertibles, motorcycles, etc., will not be allowed in the parade unless the Parade Committee gives specific prior approval to such uses that meet a special purpose of the parade.
5. **Distribution of Candy, Literature or Other Items.** The distribution of items along the parade route has become a serious problem. It has resulted in an increase in the amount of trash left along the parade route and more importantly has become a safety hazard for spectators. Therefore, distribution on the parade route of advertisements, literature, candy, gum, treats, promotional material or any other items, may be done only upon the following conditions:
 - a. In the event there is a pre-parade, guidelines will be given to pre-parade entries on this issue.
6. **Signage.** Signage must follow Parade Signage Guidelines. Signage adorning the name of a sponsor and logo must not detract from the entry or the Grand Parade's purpose or annual parade theme. Assigned entry numbers must be affixed to the entry in such a way as to be clearly visible from the front to both sides of the street throughout the duration of the parade. All questions regarding proposed signage should go to the Parade Committee (Signage Subcommittee chair) for resolution.
7. **Commercialization.** Sponsors should avoid over-commercialization. Any commercial message should be a minor part of the float presentation, should be in good taste, should add to the entertainment, should not unfavorably detract from the entry presentation and the Grand Parade's purpose, and should support the annual parade theme.
8. **Campaigning.** No campaigning, positive or negative, is allowed by parade participants. The Freedom Festival is nonpartisan and supports no candidates or elected officials of any party. Active campaigning during the parade detracts from the purposes of the parade. Each year, a few currently serving elected Federal officials, a few State and County officers and Provo City's Mayor

and City Council are invited to participate in the Grand Parade in recognition of the offices each holds and for the services they have rendered, but not to give them an opportunity to campaign.

No candidate participating in the parade or their supporter for election or re-election may: display or distribute any materials or voice or transmit audio materials and information in support for or against theirs or another's candidacy or walk the parade route to greet or shake hands with spectators during the Grand Parade. Currently serving elected officials and candidates for election may appear on a float or in a vehicle, but no reference to any office being sought may be displayed.

No parade entry or persons participating or associated with a parade entry may campaign for a candidate, an elected official currently serving, or a special interest group's platform or causes by displaying or distributing any materials or voice or transmit audio materials and information that promotes or supports a political candidate, currently serving elected official, or a special interest group's cause. Parade entries and their sponsoring organization and persons participating with each entry are to only promote the annual Grand Parade theme and the vision of the Freedom Festival from each entry.

9. **Demonstrations or Protests.** No demonstrating or protesting is allowed by parade entries or entry participants.
10. **Rule Publication.** It is the responsibility of each entry primary contact person to ensure that every entry participant is aware of and agrees to comply with these parade rules and procedures. Each entry participant must be made aware that they must follow the instructions and commands received from Parade Committee officials, event security, and local law enforcement officers.
11. **Entry Participants.** Clowns and other costumed participants are highly encouraged so long as they add to the annual theme of the parade. Each participant must be capable of the exertion required to complete the route at the pace set by parade officials.
 - a. **Drivers.** Drivers must be able to control their vehicles. If adequate sight-lines are not available, the entry must provide safety personnel who have adequate communications with the driver in order to ensure the safety of all entry participants and spectators. The entry primary contact person is responsible to see that the driver and any required safety personnel have adequate skills, experience, and training to perform their duties.
 - b. **Riders.** Riders must be appropriately dressed and costumes coincide with the theme of the entry and parade. Precautions should be taken to ensure the safety of all riders.
 - c. **Participants / Out-walkers.** Care must be taken by all participants to NOT draw spectators from the viewing area into ANY PORTION of the street assigned to the parade route. No performance or activity shall be permitted which results in the drawing of spectators onto the parade route. Safety is of the highest priority for all parade entry participants and spectators.
12. **Line-up of Parade.** Details concerning where to assemble, and other parade instructions will be emailed out approximately 14 days prior to the date of the parade. This preliminary information will be emailed to the entry's primary contact person, as defined on the Parade Entry Application. Each entry will receive updated information upon check-in. Arrival times must be strictly adhered to. Arrival is to be defined as all key participants and vehicle(s), if applicable, being in position in the assigned staging area at the appointed time. Late arrivals may be denied participation with no

fees refunded. Line-up order is to be determined solely by the Parade Committee and assigned the morning of the parade.

- 13. Speed, Spacing and Flow of Parade.** The entry primary contact person must convey to each entry participant the importance of maintaining the flow of the parade and following the instructions of parade officials and pacers. Large gaps between entries are unacceptable and diminish the spectator's enjoyment of the parade. Entry participants should expect to be asked by parade officials or pacers to speed-up, slow-down, or perform to enhance the flow of the parade and for its effective management and operation. Bands are encouraged to play regularly along the parade route and particularly when approaching and passing the Grandstand set aside for dignitaries at approximately 700 East Center Street, which is in the latter third of the parade route.
- 14. Violation of Rules.** Parade entries and their participants who fail to follow these rules will lose the opportunity to participate in the parade and may be asked to leave the day of the event. Flagrant violation of these rules may prevent future participation by that organization and/or the individuals involved for a period of up to five years. Any failure to follow the directions received from Parade Committee officials will be considered a flagrant violation of parade rules.
